## Pray for our Elected Officials:

**“I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone— second, for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.” 1 Timothy 2:1-2**

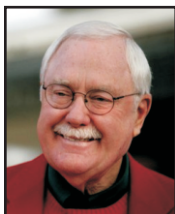

**Councilmember Jacquie Sullivan - City of Bakersfield**

“Please pray that our elected officials promote patriotism and truly rely on the values our country was founded upon by declaring “In God We Trust.”

**Supervisor Michael Rubio - Kern County**

“Pray that men will fulfill their duty to be a good husband and father to their wives and children. Also, that more people would feel the need to mentor or tutor an at-risk child. One hour a week is all the commitment that it takes to keep a child from ending up in jail, on drugs or as a member of a gang.”

**Mayor Harvey Hall - Bakersfield**

“Please pray for our citizen’s recovery from tough economic times and for finding new housing for our homeless citizens.”

## Community Prayer Calendar

### Pray for our Community:

Faith

**Pastor Steven Yeary - Brimhall Road Assembly of God**

"For the pastors, ministry leaders, and the "rank and file" followers in our communities to get back to a relationship of valuing Jesus as the "Pearl of Great Price" (Matt. 13) that is worth giving up everything in order to know Him and Him alone."

Family

**Colleen McGauley - C.A.S.A.**

"Pray for favor on our work in regards to funding and new ideas on how to serve outside the box. Also pray for one of our employees who is receiving treatment for breast cancer."

Education

**Dr. Larry Reider - Kern County Superintendent of Schools**

"We need to have our community value education. Pray for more involvement and support from parents and families of our students. We all know that parental support in a child's education is key to a child's success in school and later in life."

Government

**Chief Ron Frazee - Bakersfield Fire Department**

"Several firefighters are off due to job-incurred injuries. Please pray for their recovery. Also, please lift up the management staff of our department to guide us through these turbulent times."

Media

**Sheryl Giesbrecht - KAXL Radio 88.3 FM**

"Pray for KAXL listeners to be strengthened spiritually and that God would bless them as they bless us. Also pray that KAXL's financial needs would continue to be met to provide for our needs and wants."

Arts &  
Entertainment

**Bernard J. Herman - Bakersfield Museum of Art**

"Pray for an increase in awareness and appreciation of art in our community as well as funding. This will help arts organizations survive and help prevent art programs in schools from being eliminated."

Business

**Chris Vochoska - Aera Energy**

"Please pray for our worker's safety and health as well as those impacted by job loss and job transition."
